

## ENVIRONMENTAL POLICY STATEMENT

LF Solutions is committed to ensure we comply with all relevant Environmental legislation such as the Environmental Protection Act 1990 (but limited to) and the ISO 14001:2015 Standard.

This environmental policy establishes our commitments to environment protection and to the prevention of pollution, and to take action to: -

- ✓ Limit resource use and reduce waste.
- ✓ Avoid or reduce pollution and loss of habitat.
- ✓ Avoid or reduce direct and indirect effects on the public and local community from our operations and activities.
- ✓ At least comply with our compliance obligations including to legal and other requirements
- ✓ Continually improve our performance

To ensure compliance, we shall implement, maintain and continually improve an environmental management system within the operation of our business. We will:-

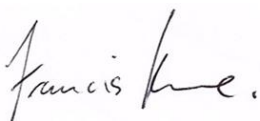

- ✓ Plan our work to reduce environmental impacts and promote sustainability.
- ✓ Act as a Considerate Contractor.
- ✓ Provide all employees with the resources, information and training available to fulfil their requirements for the implementation of this environmental policy.
- ✓ Create clear and effective lines of communication to the public and other interested parties to our commitment to deliver our environmental policy.
- ✓ Stipulate compliance from suppliers and contractors we use or employ so that they operate within the principles of this policy.
- ✓ Ensure the control of groundwaters, silts and wastes from our tunnelling activities.
- ✓ Ensure that our timber and other resources are obtained from sustainable and where applicable certified sources.
- ✓ Plan for emergency situations and ensure that if they occur we can control them.
- ✓ Monitor our activities on site to ensure that we are complying with the above policy.

We will set suitable environmental objectives in line with the above policy and shall monitor them through management review processes.

We will communicate our policy and requirements to all persons working on our behalf and interested parties. This policy shall be displayed on company premises, in offices of any fixed construction sites under our control, presented at induction and made available upon request.

We will review this policy as part of change planning, post-incident and annually.

As the person with ultimate responsibility for environmental management at LF Solutions Limited I approve this environmental policy,
